SUBJECT: LETTER OF APPRECIATION FOR SUPPORT TO KEEP CKNP CLEAN

Memo:

Reference waste management activities performed by High Altitude Sustainability Pakistan (HASP) in collaboration with Khurpa Care Pakistan (KCP) in Baltoro areas of Central Karakoram National Park in 2015 donors under its project "**Sustain Baltoro-2015**" with the financial assistance provided by the donors. In this regard Directorate of Central Karakoram National Park expresses thankfulness for support to keep the mountains and glaciers of Central Karakoram National Park clean. It has been your support that made it possible to collect 4498 KGs of animal carcasses and solid waste from Baltoro Glacier and transport down to Askoli.

On behalf of Directorate of Central Karakoram National Park (Parks and Wildlife Department Gilgit-Baltistan), I extend my warmest gratitude to High Altitude Sustainability Pakistan for their contribution on waste management in CKNP during the year 2015. "***Sustain Baltoro project is an appreciable effort for the better waste management in the largest protected area of country....thumbs up HASP***". We are optimistic that your cooperation for this noble cause will continue in future as well so that the world renowned Baltoro glaciers remain clean from waste.

In the future we look forward to more collaboration as well as for your generous support in this one of the unique National Parks in the world.
